NCRI Newsletter

Welcome to the first of our 2014 newsletters.

Many of you will know that we have relaunched the NCRI website www.ncri.org.uk, and we're now pleased to share our first new-look e-newsletter; simpler style with all the same information.

We encourage you to tell us about the things you want to share with NCRI Partners and our wider readership in future issues. Please email us at info@ncri.org.uk with your suggestions.

Best wishes,

The NCRI Secretariat

Submit your abstracts to the 10th NCRI Cancer Conference

Showcase your work to the cancer research community at the largest cancer research meeting in the UK. Submission is open until 4 June 2014.
